Cycling Fun in Roswell, Georgia

A Bicycle Friendly Community

The first bicycle friendly city in Georgia! This designation is awarded by the League of American Bicyclists to cities that have demonstrated their commitment to all aspects of cycling.

Bicycle trails, both on-road and off-road, allow cyclists to enjoy the beauty of Roswell. From river trails, the Big Creek Park, and miles of bike lanes, the city encourages bicycling for health, an alternative mode of transportation, and recreation.

There is nothing like it as thousands of riders mount their bicycles to ride on Georgia's official Hospitality Highway – Georgia 400! Once cyclists exit Georgia 400 the ride course winds through beautiful areas of cities in North Fulton County, areas of Cherokee and Forsyth Counties. For those who are not up to the full 100 mile Century, there are shorter routes available, giving all levels an opportunity to be part of an exciting event that benefits Georgia Transplant Foundation. Routes include rest stops, complete with bathrooms, full technical support, and a variety of snacks and drinks. www.visitroswellga.com or www.400century.com

Thanks to Roswell Velo (North Georgia Cycling Association) for coordination of the race.

The day of bicycling fun begins with the **Mayor's Recreational Ride**. This popular ride offers a 6-mile jaunt around Roswell's Historic District or more challenging 20 and 40 mile options for experienced cyclists. A great way to start the day prior to the chills and thrills of the Roswell Criterium. www.bikeroswell.com

Kids Bicycle Safety Rodeo & Shimano Youth Series Kids Races, as Part of the Roswell Criterium

Criterium Day in Roswell offers something for everyone – and that includes children. A Kids Bicycle Safety Rodeo, an organized class where children learn about cycling safety and bicycling handling skills, is part of the day's events.

Afterwards, the children will have an obstacle course to navigate in order to "graduate" and be eligible to race in the Kids Race held on the same race course as the Pro races.

Children must participate in the Safety Rodeo in order to race in the kids races. www.roswellcriterium.com

March Georgia Rides to the Capitol. This motorcycle escorted ride encourages bicycle friendly legislation, raises awareness and promotes bicycling as an alternative source of transportation.
